

KERA-LIFT per la movimentazione e la posa di grandi formati For handling and laying of large format tiles

“KERA-LIFT” attrezzatura con ventose per il sollevamento, la movimentazione e la posa di grandi piastrelle, liberamente adattabile alla forma della piastrella senza l'uso senza l'uso di utensili, è composta da guide scorrevoli fra loro per adattarsi a qualsiasi forma della lastra, equipaggiata con ventose Pro-Grip. La nuova ventosa ad azionamento rapido perfetta anche per materiali strutturati, dotata di vuotometro e gomma antimacchia facilmente sostituibile. Le ventose possono scorrere lungo il profilo per adattarsi a qualsiasi esigenza. Tutti i modelli sono certificati CE.

“KERA-LIFT” equipment with suction cups for lifting, handling and laying large tiles, freely adaptable to the shape of the tile without the use of tools, it is composed of guides that slide together to adapt to any shape of the slab, equipped with Pro-Grip suction cups. The new fast-acting suction cup is also perfect for structured materials, equipped with a vacuum gauge and easily replaceable stain-resistant rubber. The suction cups can slide along the profile to adapt to any need. All models are CE certified.

KERA-LIFT Art.1A6
max: 340 x 160 cm

Ventose Basculanti perfetta adesione sulle lastre
Tilting suction cups for perfect tile adhesion

Keralift completo di:
Keralift complete with:

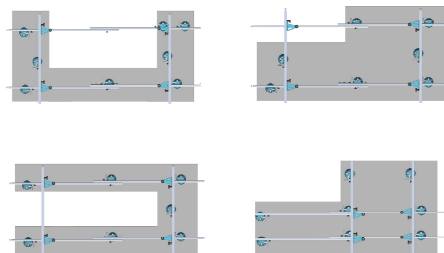

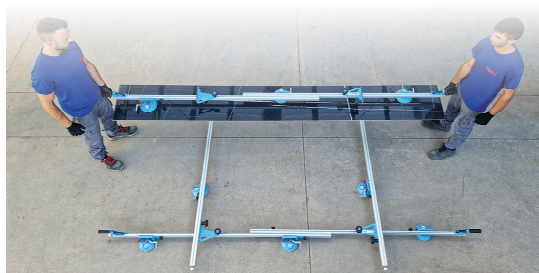

x 8 pz

Nuova ventosa a leva Pro-Grip Ø160 con Vuotometro e protezione
New Pro-Grip Suction cups Ø160 with Vacuum indicator and protection

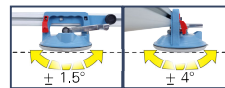

x 4 pz

Sicure Anticaduta
Safety fall brackets

Traversi smontabili per lastre strette
Dismountable cross bar for narrow slabs

KERA-LIFT Art.1D3
max: 340 x 80 cm

Ventose Basculanti perfetta adesione sulle lastre
Tilting suction cups for perfect tile adhesion

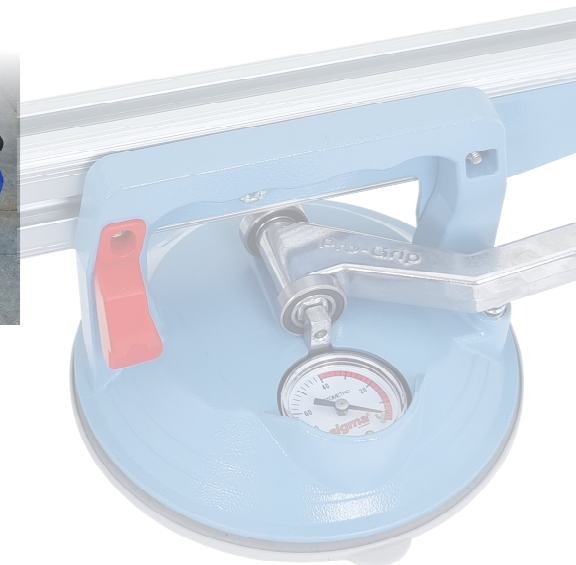

Keralift completo di:
Keralift complete with:

x 3 pz

Nuova ventosa a leva Pro-Grip Ø160 con Vuotometro e protezione
New Pro-Grip Suction cups Ø160 with Vacuum indicator and protection

x 2 pz

Sicure Anticaduta
Safety fall brackets
